### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eugene LeDonne on 8/2/2006.

The application has been amended as follows:

#### **In the Specification:**

Replace the title of invention with: -- A METHOD OF MANUFACTURING AN INK JET PRINTER HEAD INCLUDING A PLURALITY OF CAVITY UNITS --.

#### **Reasons for Allowance:**

The following is an examiner's statement of reasons for allowance: the prior art does not teach all of the limitations of the claimed invention including:

- causing two first positioning pins of a first jig to fit in the two first positioning holes of said each of the nozzle sheets so as to position said each nozzle sheet relative to the first jig,
- fixing said each nozzle sheet positioned relative to the first jig, and a corresponding one of the channel units that is positioned relative to the first jig, to each other, so as to provide a corresponding one of the cavity units,

- causing a first pair of second positioning pins of a second jig to fit in the two second positioning holes of the nozzle sheet of a first one of the cavity units, and causing a second pair of second positioning pins of the second jig to fit in the two second positioning holes of the nozzle sheet of a second one of the cavity units, so that the first and second cavity units are positioned relative to the second jig and are thereby positioned relative to each other, and
- fixing the first and second cavity units positioned relative to each other, to a frame member.

Accordingly, claims 2-6, 8, 10-12 and 14-19 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
